

USPS Postal Regulatory Commission Comments

5-24-21

Dear Postal Regulatory Commission,

Do NOT implement any of Postmaster General Louis DeJoy's 10 Year Plan!

Please return the US Post office to the way it was BEFORE the Trump Administration came into power in 2016.

Reset all of the postal rules back to that time.

Purchase all new sorting machines to replace the one's he destroyed.

Replace all the Blue Mailboxes that he removed from all the places he removed them from.

Return the First Class Mail to 1-3 day delivery time.

Remove Louis DeJoy from the Postmaster position NOW!

Sincerely,
Patrick Ricevuto
